this collection of essays presents opposing sides of the debate over the foundations of judicial review

a comparative systematic and critical analysis of constitutional courts and constitutional review in asia

this book comprehensively analyses the foundations of judicial review

this book presents a comparative constitutional analysis of the system of constitutional review in more than 150 countries it describes different models of constitutional review and the bodies that hold this special and exclusive decision making power on constitutional matters it classifies the constitutional review bodies as special bodies responsible for protecting the constitutionality for which they hold a certain legal superiority in relation to other branches of power their review quite often covers legislative acts that are the highest legal instruments of a specific legal and political system this gives the constitutional review body a special status with power to provide constitutional review under the system of the separation of powers especially in relation to the legislative power that it may even annul statutes adopted by the legislative body the book includes a french summary tables

and map presenting constitutional judicial review around the world

includes section book reviews

constitutional courts have emerged as central institutions in many advanced democracies this book investigates the sources and the limits of judicial authority focusing on the central role of public support for judicial independence the empirical sections of the book illustrate the theoretical argument in an in depth study of the german federal constitutional court including statistical analysis of judicial decisions case studies and interviews with judges and legislators the book s major finding is that the interests of governing majorities prevailing public opinion and the transparency of the political environment exert a powerful influence on judicial decisions judges are influenced not only by jurisprudential considerations and their policy preferences but also by strategic concerns by highlighting this dimension of constitutional review the book challenges the contention that high court justices are largely unconstrained actors as well as the notion that constitutional courts lack democratic legitimacy
